### **Why give genuine pearls?**

- The women in your ward will **love** these pearl necklaces and bracelets. They will become heirlooms.
- Other wards gave pearls last year and they were a hit. *Would you like to know who ordered last year? Call.*
- You will support the non-profit Pearls with a Purpose Foundation which helps women become self-reliant.
- You won't find something this nice anywhere else—and at this low price of only #3.
- Each gift is elegantly packaged in a chiffon bag inside a cellophane packet with a Mother's Day poem and genuine pearl care card.
- We'll deliver your pearls at least two weeks before Mother's Day and send an invoice after delivery.

### **Our Pearls with a Purpose Foundation teaches disadvantaged women in underdeveloped countries how to become self-reliant.**

Irish Mendez, 21, a single mother in the Philippines earns a living.

How can we offer such high-quality, genuine pearl jewelry at these amazing affordable prices? We have eliminated the many layers of profit from the traditional distribution chains. In 2002, Wendy Bird of Lehi, Utah founded the Pearls with a Purpose Foundation. Our mission is to teach and train disadvantaged women in underdeveloped countries in skills of self-reliance.
